

# JOIN Healthy Start Enhanced San Bernardino's Infant Mortality Consortium! Building a Healthier Community Together.

## Addressing Social Determinants of Perinatal Health for Better Birth Outcomes

### What is the Infant Mortality Consortium?

- A collaborative effort led by HSE-SB to address social determinants of health impacting birth outcomes.
- Monthly meetings with virtual participation options to ensure inclusivity and opportunities for action planning and training sessions.

### Who Can Participate?

- Clinics, community centers, faith-based organizations, hospital systems, birth workers, and other community partners.
- Individuals passionate about improving perinatal health outcomes.
- HSE-SB participant graduates.

### What Will You Do?

- Collaborate on actionable projects targeting critical social determinants of health.
- Contribute ideas, expertise, and resources to develop comprehensive solutions.

### Benefits of Participation:

- Access to training opportunities on legislative advocacy, LGBTQIA+ family support, and more.
- Networking opportunities with like-minded diverse organizations and experts.
- Stipends available for active participation to honor participants' time and commitment.

### Upcoming Focus Areas:

- Providing mobile midwife and pediatric services for rural residents.
- Addressing heat-related risks through community-based projects like tree planting, community gardens, and cooling zones.
- Addressing poor air quality through a Clean Indoor Air program and collaboration with the Community Air Resource Board (CARB).
- Eliminating barriers to access to care through transportation solutions.
- Other needs as identified.

### When and Where?

- Monthly In-person sessions meetings with virtual participation options for wider participation.

### How to Join?

- Contact the HSE-SB Consortium Manager at [nfahlgren@globalcommunities.org](mailto:nfahlgren@globalcommunities.org)
- Scan the QR code below or visit <https://forms.office.com/r/56NajAW53Y> to complete the interest form.
